Evaluation of P.H.U.Fatic

Attn: Bogdan Drabik

Dear Sir,

We are glad to have many years of professional business with you. Our collaboration which started in 2002 has been blossoming since. We have nothing to complain about, the orders were always strict and clear, and the payment never had been an issue.

All in all P.H.U. Fatic, and its owner Bogdan Drabik is one of our most valuable partners.

May our partnership prosper for many years to come.

Yours faithfully,
